Dear Clerk's Office:

I am writing because on November 17, 2020, I filed a motion seeking compassionate release in case number 3:88-cr-00066-BRM. Then, on November 23, 2020, Assistant U.S. Attorney Elisa Wiygul made an appearance. Since that time, I have not heard anything. Please tell me if any orders have been made in this case, or if any documents have been filed. If nothing has happened, please

take this letter as a motion requesting
the government's response, and
present it to the Judge.

Thank you in advance for your time
and attention to this very important
matter

Sincerely

Malcolm Donley
